

G-WAC Notes

From the
Project Jay Preservation Group

A News Sheet for those who are interested
in the factory registered G-WACs.

April 2022

There is not much to report on the G-WAC front this month. I am sure that there is plenty of action in the workshops, so do let me have some news for our G-WAC followers.

406 has a new owner, welcome to the fold Kira, good luck with the preservation. Kira also has a Jay and is a member of the PJPG.

My 478 has now had a couple of good runs down the motorway, and although she steers well on local roads with lots of bends to contend with, I find that she wobbles a lot on straight roads with quite a bit of slack in the steering at straight ahead position. I will investigate and report in the May Notes.

Research on the DVLA website shows that only three launch cars are taxed, and only four have a current MoT. A summary is on the back page.

Weston Park Easter Show. Shropshire 17th – 18th April

Weston Park is no ordinary stately home. Set amongst 1,000 acres of Capability Brown landscaped parkland and former home to the Earls of Bradford, Weston has a rich history, an internationally important art collection and all the grandeur you would expect from a stately home – but with a very modern outlook, with a Woodland Adventure Playground and Miniature Train to entertain the children.

I missed the Easter Show at Weston Park last year as I was recuperating from my heart attack but made it this year with the restored G478WAC. We had four Jays over the weekend, Patrick took my G526WAC, Dylan had his Crossroad there on Sunday and Rob came with L574JBW on Monday.

I entered 478 in the 1980s class of the arena and was awarded the runner up in the class. A very tidy 1985 MR2 came first.

www.classicshows.org organise many shows throughout the UK, including some autojumbles and bike shows. In the past we have been to their Notts Classic Car & Motorcycle Show at Thoresby Park, which we will miss this year as it clashes with our local show at Ripley Castle, which is organised by Great British Motor Shows.
