

G-WAC Notes

A news Sheet for those who are interested in the factory registered G-WACs

October 2024

Thank you to those G-WAC owners who checked the listing and reported the changes. There was just an incorrect registration number on a Land Rover and a change of owner for a Discovery.

There were no classic shows attended this month, and the NEC next week is our last of the year, but Patrick is working on the list for next year. If any member has a local show that may be of interest for us to book a club stand, then give Patrick a text/phone, 07894 090514 and discuss it with him.

Discovery Birthday Party. Plymouth 2024

The Covid epidemic kept us away from Plymouth for the past five years, so this year we were ready to celebrate the 35 years of the production of the Land Rover Discovery, visiting the various places that the press and dealer representatives were taken to in October 1989.

In 1989 there were 86 Discoverys assembled on the Hoe each day for six weeks for the invited guests to drive on a pre-planned route.

Over the weekend of October 18th to 20th, this year, the party organisers, Tim, Stuart and Steve, the 'team,' once again organised a great weekend for 33 vehicles and occupants.

With such a long journey to Plymouth and return, my son Stephen volunteered to take Daphne and me down and return from Thursday 17th to Monday 21st. For the weekend in Cornwall we rented a five-room holiday accommodation and stepdaughter and husband., plus Patrick, his mum and brother Nick shared with us.

The Hoe was not available for public parking this year, only those with a disabled blue badge were allowed to park on the Hoe. I am the holder of a blue badge, so we managed to spend a few minutes there to take photographs.

For this year the team arranged for the enthusiasts to meet at Mount Edgecomb Estate. Two of the original launch Discoverys were there to celebrate the occasion. G490WAC is owned by Jon-Luke Masters and my G526WAC, and Jon also brought his Camel Trophy, G563WAC, driven by his dad, and G526WAC was awarded the Best in Show award.

The party met in the evening for a meal at a local carvery. An auction and raffle took place to raise funds for two charities, Go Beyond and Campaign Against Living Miserably. (CALM). Daphne won a goodie bag given by Brookwells of Plymouth, which included a voucher for £50.00. On the way home on Monday we visited Brookwells and bought £117.00 worth of spares for £67.00. They will be used on G513DHP, which is currently at Dan Clark Services for a service and MoT.

Iain and Kira have been on a buying spree of late, here are a few words on Facebook.

“Silver one a G reg V8 manual, Red one, a G reg Tdi manual. Red one had its engine ripped out for a hybrid off-roader so unfortunately, she'll probably get parted out for our other now seven we have!

Iain has bought G395WAC and says...

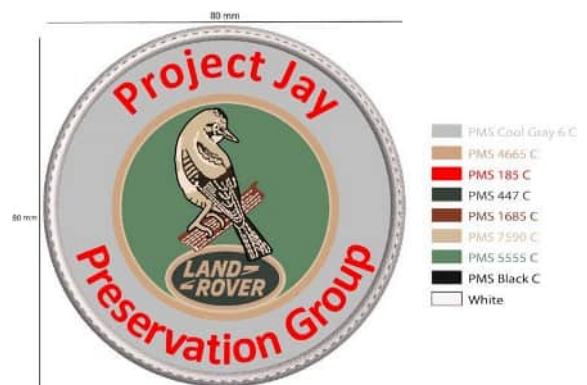

“So visually she might not be the tidiest G-WAC there is for a while. Plan currently is to get her on the road and enjoy her. 395' is going for a mot today as there doesn't seem to be anything seriously the matter with her, and if she fails it shouldn't be on much and if she passes, I'll be giving her a rolling resto.

Sew-on badges

We are pleased to tell you that the cloth badges are now available, at £4.00 each, plus post and packing.

I will take them to the NEC or they can be ordered by emailing me on shop@pjpg.co.uk
