

## G-WAC Notes

**A news Sheet for those who are interested  
in the factory registered G-WACs**

### December 2025

With no shows or anything of interest for these Notes, and the only national event being the Bank Holiday on Christmas day, I thought that it would be a short report.

However, things of a personal nature took hold, the first being a spell in hospital and the last was a trip to visit my sister Connie, yesterday the 29th to wish her a happy 100th birthday.

The hospital visit was to cure a bladder infection and the visit on the day before Christmas was for my regular eye injections (IVT)

My son and wife Jeanette took me and Daphne the 450-mile round trip to Hereford and back for the birthday party. The party was quite a surprise for Connie because her daughter did not tell her that the whole family would be there too, so quite a few tears of joy were shed.

I have not been to a Tea on the Tailgate event yet, so I am looking forward to the one in North Yorkshire next month.

### Shows for 2026

The first show of the 2026 season is the PCCC&RS at the NEC on Friday 20th to Sunday 22nd March

It is a three-day show, and cars must be on the stand on Thursday and not removed until after the closing on Sunday.

It is therefore quite a commitment for the owner to spend four days at the show, and with overnight B&B it can be rather expensive.

If you can spare the time and wish to display your Jay on the PJPG stand, please contact Patrick, [events@pjpg.co.uk](mailto:events@pjpg.co.uk) or phone/text 07894 090 514.
