

## G-WAC Notes

A news Sheet for those who are interested in the factory registered G-WACs

### February 2026

A short quiet month for shows or events, but I did manage to get to a TotT event near Wakefield.

I had hoped to report further on Emrys Kirby's work on 482, but he is also restoring a 1977 Defender and does not report on both in one issue, so perhaps there will be a report in next months issue of Classic Land Rover magazine .

### Shows for 2026

The first show of the 2026 season is the PCCC&RS at the NEC on Friday 20th to Sunday 22nd March

It is a three-day show, and cars must be on the stand on Thursday and not removed until after the closing on Sunday. It is therefore quite a commitment for the owner to spend four days at the show, and with overnight B&B it can be rather expensive.

If you can spare the time and wish to display your Jay on the PJPG stand, please contact Patrick, [events@pjpg.co.uk](mailto:events@pjpg.co.uk) or phone/text 07894 090 514.

To visit the show you can get a discount on the entry ticket price by using our discount code **CCPRJPGM6**. (See page 4)
